

RC After School Enrollment Packet

Welcome to the 2017-2018 School Year

Mission Statement of the Red Caboose School Age Program

The Red Caboose School Age Program focuses on the social emotional growth of children and the development of life skills. We strive to guarantee that our program is available to all children.

Red Caboose's History and Overview

Red Caboose is a non-profit corporation opened since 1972. It is licensed by the State of Wisconsin and accredited by the City of Madison. Toddler and preschool children are cared for at 654 Williamson Street. We have been providing After School Care at Lapham Elementary since 1990 and at Marquette Elementary since 1992. In addition, since 1976, Red Caboose has operated a Summer Camp for School Age children. This is a full day recreational program for Kindergarten through fifth graders. We are committed to serving children from every race, culture, socio-economic background, ability, or special need.

What happens at RC After School?

For us to provide a high quality After School Program, we maintain a ratio of 1 teacher to 10-12 children, a Nourishing snack, and a variety of cooperative play and learning opportunities for your child. Our program is child centered. It allows time for quiet play and reading, active and outdoor play, field trips, small and large group and individual activities. Activities are also offered in the areas of arts and crafts, construction, small manipulatives, games, dramatic play, science, computer, and cooking.

Program Schedule

The After School Program starts at school dismissal (Mondays 1:00 and Tuesday – Friday at 2:32p) and closes at 5:45p every day. During this day you will find that your child has the opportunity to participate in fun, creative activities that is focused on your child's interests and guided by our highly professional and qualified staff; large motor activities inside and outdoors; homework help; special events and field trips; the opportunity to make new friends.

How to Enroll

In order to register and request a slot in the program you must send in the completed enrollment form with \$40 for the one-time registration fee (per family) and \$25 for the annual parent dues (per family), along with the first week's tuition (for each child) or an authorization from the city or county. These fees are non-refundable. There is a minimum enrollment of two days per week and parents are charged for the scheduled days they sign up for regardless of attendance. Any outstanding balances accrued through any Red Caboose Child Care Center, Inc programming must be resolved with the Billing Coordinator prior to enrolling their child in the After School program.

The following enrollment priorities are used to determine the order of enrollment for each school year. The School Age Program Director will resolve any priority issues or conflicts and all decisions of the School Age Program Director are final. A waitlist is maintained when requests for enrollment exceed capacity.

- 1) First priority is given to children currently enrolled in the School Age Programs, their siblings and in Red Caboose's Grasshopper Room who will attend Lapham. These children will be enrolled in the order of the date of return of the registration form until the priority deadline Friday, March 3, 2017.
- 2) If space remains available, second priority is given to children in grades K-5 whose new registration forms are returned by/on Kindergarten registration day Friday, March 3, 2017.
- 3) If space remains available, third priority is given to children currently on the Lapham or Marquette waiting lists. These children will be enrolled in order of their respective wait list as long as the registration form is returned by the priority deadline (Kindergarten registration day)
- 4) If space remains available, fourth priority is given to children whose re-registration or new registration forms are returned after the respective deadlines. These children will be enrolled in order of the date of return, based on the number of days difference between the deadline and the return date.
- 5) If space remains available, fifth priority is given to children attending schools other than Lapham or Marquette Elementary Schools. These children will be enrolled only when children in all of the above groups have been enrolled and spaces still exist and will be otherwise enrolled in order of the date of return of enrollment forms.

Days of Play

During the days when school is not in session, RC After School provides care. There is an **additional enrollment** and fee for these days. For full days we provide care for all children at either Lapham or Marquette and for the Early Release Days we provide care at the school your child attends. This includes Winter and Spring Break! For more information you can find our forms online at <u>www.redcabooseschoolage.org</u> or request a form at your child's after school program. A form will also be sent to you with your confirmation packet.

Any enrollment forms returned to the Enrollment Coordinator, after Friday, August 18, 2017, will start after school the second week of school.

If you have any questions please contact the Enrollment Coordinator at 251-5432 or at school.age@redcaboosedaycare.org.
