MEET OUR SCHOOL AGE PROGRAM DIRECTOR

Welcome to Camp Caboose! I am very excited to be a part of this years planning and educating for summer camp! We will have many returning traditions this year such as: Golden Flamingo, Morning Blast Off, Friday Fiesta, and our favorite "Mess Fest." Plus an extension of Travel Week: three more days of all-day field trips have been added filled with indoor and outdoor activities. Our favorite memories are made in the summer with our friends and families, and Camp Caboose hopes to make those memories last a lifetime! So families make sure to grab tight to summer because it will be an adventure to remember. If you find me at summer camp remember me from last year "Dr.Drea!"

MEET OUR CAMP DIRECTORS

KC and Laurel have been working together since 2013. They're such good friends that they finish each other's..sandwiches. You'll find KC around camp teaching 80's jazzercise classes and of course, wearing her Mountain Dew socks. You'll find Laurel sitting in the office, making sure no one explodes. KC and Laurel are to camp like ketchup and mustard is to hot dogs- they're just crazy enough to keep things interesting. Laurel's been the Shooting Stars director since 2014. She enjoys reading silly stories with kids and oversharing about her cat. Her favorite things are experiential education, olives, and really nice pens. KC has been working at camp since...we lost count. She enjoys Mountain Dew, volunteer coordination, and coloring books. This summer, KC and Laurel are planning some downright crazy things—KC is looking forward to Zombie Walk, and Laurel is excited about the Bizarre Bazaar. When you see Laurel or KC say "kittens of the world unite!". That way, we know you read this to the end.

AHH...Summer 2016 memories!

CAMP CABOOSE INFORMATION Q & A

Where will Camp be held this year?

Summer Camp is held at Marquette Elementary, 1501 Jenifer St. On your first day of camp and everyday thereafter, a parent board will be right at the entrance of Marquette. Classroom information will be placed here!

When is Summer Camp?

Weeks 1-9 run from Tuesday, June 13th through Friday, August 11th— this excludes Tuesday, July 4th. Week 10/11, Travel Weeks, will run Monday, August 14th through Wednesday, August 23.

What time is Summer Camp?

Camp Hours are from 7:30am to 5:45pm.

Will my child get to go on any field trips? YES!!

Campers are able to explore their community through frequent field trips! Shooting Star Captains plan field trips that relate to their group activities every week. Comets take field trips throughout the week that correspond with the theme that they are signed up for.

Will my child get to go swimming?

YES!! Both Shooting Stars and Comet groups will be going on swim trips every week including travel week! However, it is always good to remember to bring your

swimsuit and towel every day.

Do I need to bring a lunch?

No! Camp Caboose serves breakfast, lunch & afternoon snack! The meals are prepared by Red Caboose's own Nutritional Coordinator, and each meal focuses on fresh fruits, vegetables, and whole grains. Vegetarian options are always available.

How can I find out weekly camp events?

Check out our website at www.redcaboosechildcare.org or our parent board to see what activities and trips counselors' have planned!

CAMP STAR AND CAMPER OF THE WEEK

This summer we will be continuing with our Camp Caboose Value Star, which includes a different trait each day that we will focus on at camp. These traits include: Community, Respect, Communication, Leadership, and "Flowability." Each morning we will spotlight a value on our flag and learn more about it through staff and camper participation in skits, songs, and games. Another tradition we plan to continue this summer is our Camper of the Week. On Friday of each week, our staff will nominate and vote on one Shooting Star and one Comet camper who have shown star-like behavior all week. We will recognize these campers at our Friday Fiesta with an award and a picture of them on our Camp Caboose website! Check out www.redcaboosechildcare.org every week to find out who our star campers are!

MONDAY MORNING BLAST OFF AND FRIDAY FIESTAS!

Every Monday morning, we will gather together and **BLAST OFF** the week with fun games, songs, and activities! We will take a look ahead as to what to expect for the week and review everything that we need to know (aka "the rules") in order to have a great week. Please make sure your camper is with us by 9am on Mondays to join in the fun!

FRIDAY FIESTA begins at 1:30pm and is the time to celebrate the awesome time we had at camp that week. This is the opportunity to share everything that was done, plus participate in fun skits, games, songs and snacks!

We will be visiting the Logic Puzzle Museum, which features all kinds of cool toys and puzzle we will get to try, and maybe even take home. Get your Game On!

Mind Blown (With Robby)

Did you ever wonder "how does that even work?!"- This week at camp, we'll find out the answers by any means necessary. We'll take things apart, build a rube-goldberg machine, and take a trip to the Logic Puzzle Museum. What crazy ideas can you come up with?

Week Two: June 19-23 No "I" in Team (With Hannah)

Bring your water bottles and lots of energy! Basketball, kickball, football, soccer, hockey, and dodgeball are just a few of the games that you may play this week while focusing on team sports. A field trip to tour Camp Randall is sure to be a great time. Just remember, there is no "I" in team.

WEEKLY DESCRIPTIONS "COMETS"

Wonderfully Weird (With Callie)

"OMG you are so weird" is the best compliment anyone can receive! This week we'll embrace who we are and do some of the awesomest, craziest, weirdest things ever. Whether it's your undying love for poop emojis or a fascination with unicorn snot, we'll celebrate everything that makes you wonderfully weird!

Oh Yeah Kale! (With Robby)

"It's not easy being green"- unless you're at Camp Caboose! This week we will explore how to make tasty food using sustainably sourced ingredients. We'll take a trip to The Goodman Youth Farm to try out farming, challenge ourselves to make the "World's Most Local Pizza- Ever," and help out in the garden. Come hungry and ready to get your hands dirty.

Week Three: June 26-30 Pay It Forward (With Hannah)

Camp Caboose is proud to call the near eastside of Madison home, and giving back to the community is an important part of what we do. This week is about showing that we care. As a group we will talk about what we would like to do to help our community and then go out and make it happen!

Rescue 911 (With Callie)

"911! What's your emergency?!" This week we'll get an exclusive behind-the-scenes look at how our fire, police, and rescue squads handle crises. We'll tour a police station, get a visit from a police officer, dust for fingerprints, and learn how to prepare for an emergency. 10-4. Over and out.

Head Shots Don't Count (With Robby)

Scatter. Basket. Doctor. Sneaker. If you haven't already guessed, it's dodgeball week! We are extremely fortunate this summer to have dodgeball guru/living legend, Robby "Let 'Em Fly" Schiller, to teach you versions of dodgeball that you didn't even know existed. Word of advice: block with your head because head shots don't count!

Week Four: July 3-7 (Camp will be closed on Tuesday, July 4th)

Animation Awesomeness (With Hannah)

From flip books to graphic novels to cartoons to stop motion, this week is about all things animated. We will make our own stop motion film, visit a comic book store, and create cartoon versions of ourselves. If animation is your thing, make sure you sign up for this awesome week.

Amazing Animals (With Callie)

If you could be any animal, what would you be and why? This week we will explore the animal kingdom to discover the most unique species and what makes them so special. If you love Callie or animals, this is the theme for you.

MESS FEST (With Robby)

Have you ever wanted to make a tower with your lunch food? Does playing on a slip-n-slide covered in cooking oil and mayonnaise sound like a good time? Do you think it would be fun to take a cereal bath? It's Mess Fest Week, and pretty much anything goes. Come dressed to get EXTREMELY MESSY and be prepared to be sprayed down with a hose at least once a day to clean up.

Week Five: July 10-14

Painters Paradise (With Hannah)

There is no right or wrong when it comes to painting; it's about what inspires you. This week we will let our creative juices flow and create our own masterpieces. We will take a trip to the Milwaukee Art Museum to be influenced by the masters. Grab a brush, and lets go to Painters Paradise.

Bizarre Foods: Madison Edition (With Callie)

Madison has a ton of cool places to eat, but only some are unique enough to make it into our Camp Caboose version of Bizarre Foods. We will visit Ha Long Bay, lan's Pizza, and the Farmer's Market to sample some outrageously yummy food, then return to camp and attempt to recreate the flavor fusions at our very first Bizarre Bazaar.

WEEKLY DESCRIPTIONS "COMETS"

Urban Survivor (With Robby)

ZOMBIES!! RUN! Oh wait, that's just Robby. Do you have what it takes to survive in the urban jungle of Willy Street? Prep for an intense week where you will have to figure out what supplies you will need to "buy" to survive the Zombie Apocalypse, take a zombie walk downtown, and even eat jello brains. Since there are no actual zombies (yet), we will take a field trip to the Milwaukee Public Museum, because, why not?!

Week Six: July 17-21

Wisconsin Week

A gorgeous university, great Midwest food, and Bucky Badger all make our city (and state) the best place to call home. This week, we will rotate in groups to explore the best of Wisconsin life. We will explore the UW campus, try some of the best eats, and get creepy with some "haunted history". To end the week with a bang, we will be going to the Dane County Fair for some rides, games, and exhibitions. On Wisconsin!

Week Seven: July 24-28

I Win (With Hannah)

Not everyone likes to work with a team, which is why this week focuses on athletic endeavors where you are your only teammate. Come and test your skills at arm wrestling, Camp Caboose bowling, fencing with pool noodles, swimming, scooter races, and wall ball. You will also get a chance to test your skills at Boulders Climbing Gym. Come and win big this week!

Fear Factor (With Callie)

This is a challenge by choice week—a great chance to step outside of your comfort zone and try something wild and crazy in a safe environment. Last summer was a blast, but we are stepping it up a notch this summer. We will play "Roll of the Dice" (Frosted Flakes with cheese, anybody?) and take a trip to Boulders Climbing Gym to test our limits. Is fear a factor for you?

Band Practice (With Robby)

Interested in music? Aspirations of becoming famous? This is the week you have been waiting for! We will play instruments, write songs, and possibly even record in a studio. For inspiration, you can check out Red Caboose's YouTube page with past hit songs and videos. Rock on!

Week Eight: July 31-August 4

Go Global

Rather than choosing a theme this week, all Comets will be exploring various activities that celebrate this incredible world we live in. We will be focusing on these countries: Brazil, Australia, Egypt, and India. Also, diving into the games, food, crafts, and traditions that make each place unique.

Week Nine: August 7-11

House of Cards (With Hannah)

Magic, Pokemon, Bakugon, oh my! From old school classics to new school favorites, cards are the focus of this week. We may play Uno, Spoons, Spades, Hearts, Solitaire, I Doubt It, Garbage, Kings Corner, Speed, Card Sharks, or even Poop! Don't panic, of course we will spend time playing Magic and Pokemon too. So bring your decks, or borrow some from Camp, and let the fun begin!

Time Machine (With Callie)

Take a step back almost 140 years, and see what life was like before TVs, cars, running water, or *gasp* Google! Old World Wisconsin, here we come! Don't worry, we won't spend the whole week living in the 1880s, we will also explore the best of the 20th century. Come experience the last century all in one week.

Make a Splash (With Robby)

What better way to end the summer than with a week full of water fun. We will spend every day getting wet in a variety of ways; canoeing at Rutabaga, swimming at the pool, going to the Mud Hole, playing at a Splash Pad, and of course, water balloons! Make sure to bring your swimming suit and towel every day because it will be a water filled week.
